Pupils are expected to:
- ✓ Attend school every day on time

4. Recording Attendance

4.1 Attendance Register
We will keep an attendance register, and place all pupils onto this register.
We will take our attendance register at the start of the first session of each school day and at the start of the second session. At the time of taking, it will mark whether every pupil is:
- ✓ Present
- ✓ Absent

Administration staff will amend the register before 10am and at other times under the direction of the Headteacher
- ✓ Attending an approved off-site educational activity
- ✓ Unable to attend due to exceptional circumstances
- ✓ Ill
- ✓ Attending a medical appointment
- ✓ Late (before and after) register closes
- ✓ Other reason (As agreed by Local Authority or headteacher)

Any changes to the attendance register must be authorised by the headteacher, be recorded on BROMCOM and will include:
- ✓ The original entry
- ✓ The amended entry
- ✓ The reason for the amendment
- ✓ The date on which the amendment was made
- ✓ The name and position of the person who made the amendment

Administration errors will be amended without details recorded. These errors may include:
- ✓ Recording a pupil present or absent incorrectly
- ✓ Incorrect coding

See appendix 1 for the DfE attendance codes.
We will also record:
- ✓ Whether the absence is authorised or not
- ✓ The nature of the activity if a pupil is attending an approved educational activity
- ✓ The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made. The register for the first session will be taken at 8.30am and will be kept open until 8.50am. The administration staff are responsible for recording late arrivals after 8.40am. The register for the second session will be taken at 1pm and will be kept open until 1.05pm

4.2 Unplanned Absence
The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible by contacting the school office no later than 9am. (see also section 7).

Notification can be given:
- ✓ By telephone (including recording on the absence line)
- ✓ By email (office@...)
- ✓ In person

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified. Further illnesses may be recorded as unauthorised.

4.3 Planned Absence

Medical

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents _must_ request this absence at least 5 school days in advance of the appointment unless it is an emergency appointment where as much notice as possible must be given. Proof of appointment must be given to the school office. This may include:
- ✓ Appointment letter
- ✓ Text reminder

Notification can be given:
- ✓ By telephone (including recording on the absence line)
- ✓ By email (office@...)
- ✓ In person

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Religious Observance, Family Holiday or Other Exceptional Circumstances

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

Parents must request other absences at least 3 school weeks in advance of the absence unless it is an emergency where as much notice as possible must be given. A Withdrawal from Learning request form must be given to the school office prior to the absence.

Submission of a Withdrawal from Learning Form can be:
- ✓ By email (office@...)
- ✓ In person

Failure to submit a Withdrawal from Learning Form at least 5 school days in advance of an absence (unless an emergency) will result in the request being denied and the absence recorded as unauthorised.

Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and Punctuality

A pupil who arrives late:
- ✓ Before the register has closed will be marked as late (L).
- ✓ After the register has closed will be marked as absent (U)

The time of arrival and reason will be recorded for all lates.

During Attendance Review meetings, pupils who have been late are identified and the context to each late is discussed. Unless in exceptional circumstances, when a pupil is late three times the process of challenging these lates starts. The process will follow but not adhere to the following structure:
- ✓ Late Letter 1 – "inform and remind" of expectations around punctuality
- ✓ Late Letter 2 – "Warn and inform" of changes from "L" to "U" code (time of unauthorised lateness) and risk of referral for FPN
- ✓ Late Letter 3 – "Inform of changes" and that lateness will be recorded as unauthorised (and referral for FPN is appropriate)
- ✓ Persistent Late Letter – where non-punctuality has been persistent, extreme and that following other protocols will not achieve any immediate and significant improvement

- ✓ Meeting with Headteacher
- ✓ Referral for FPN to Local Authority

At all times, communication with FLA is ongoing and supportive developing an understanding of attendance and punctuality requirements and the impact of pupil learning.

4.5 Following up Unexplained Absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- ✓ Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may:
  - Contact the family via the FLA
  - Attend the property
  - Call the police and request a Welfare Check by officers. Where pupils and families have been identified as vulnerable, a request for a welfare check may be initiated immediately the child is identified as absent.
- ✓ Decide whether the absence is approved or not and inform the parents
- ✓ Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- ✓ Review registers on a regular basis to review attendance and attendance codes used, and may contact parents to request explanation for previous absences

4.6 Reporting to Parents/Carers

Parents are expected to access their child's attendance by using the BROMCOM parent portal (My Child at School). This gives a real time attendance report. Parents are able to request an attendance report for their child at the end of each academic year.

5. Authorised and Unauthorised Absence

5.1 Approval for Term-Time Absence
The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as a situation where there is no immediate alternative to withdrawing a child from the school and then for only the shortest length of time possible so that other arrangements can be put in place.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 3 school weeks before the absence, and in accordance with the Withdrawal from Learning Form, accessible from the school office or the school website. The Headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:
- ✓ Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- ✓ Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- ✓ Religious pilgrimage – where the pupil undertakes a pilgrimage as part of their religious duty. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- ✓ Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- ✓ Citizenship appointments at embassies
- ✓ Employment opportunities such as modelling but only if attendance does not drop below 95%

- Close family events such as funerals and weddings <u>may</u> be authorised (one day only)

- ✗ Family holidays <u>will not</u> be authorised in any situation

5.2 Legal Sanctions
The local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by the local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:
- ✓ The number of unauthorised absences occurring within a rolling academic year
- ✓ One-off instances of irregular attendance, such as holidays taken in term time without permission
- ✓ Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for Promoting Attendance

Pound Hill Junior School promotes good attendance as part of its culture and ethos. Teachers are responsible for creating a positive and welcoming environment for all pupils. Teachers promote the value of being in school and in class on time.

Pupils are welcomed and praised for improving attendance by Senior Leaders and the Family Liaison Assistant who supports families to develop positive attitudes toward attendance and punctuality. The Family Liaison

Assistant is a vital 2-way communication pathway for parents to discuss attendance and punctuality concerns without the formality of meetings with senior leaders and the headteacher.

The school celebrates attendance in Friday Celebration Assemblies through the Class Attendance Award and Most Improved Class awards. Parents have real time access to their child's attendance through My Child at School App. There information displayed on this app will change as, following each registration, the office reviews registers and updates recorded information (codes and reasons).

7. Attendance Monitoring

Explain how your school monitors and analyses attendance and absence data to identify pupils or cohorts that require support with their attendance. A fortnightly Attendance Review takes place between the Headteacher and the Family Liaison Assistant. Actions are agreed for all identified pupils.

7.1 Monitoring Attendance

The school:
- ✓ Reviews all pupils through the Attendance Review Process and undertakes individual agreed actions
- ✓ Analyses attendance and absence data termly and yearly across the school and at an individual pupil level, reporting this to Governors
- ✓ Identifies whether or not there are particular groups of children or individuals whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing Attendance

The school will:
- ✓ Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support and challenge to these pupils and their families
- ✓ Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using Data to Improve Attendance

The school will:
- ✓ Provide regular attendance reports to class teachers, school leaders and Governors to facilitate discussions with pupils and families
- ✓ Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:
- ✓ Use attendance data to find patterns and trends of persistent and severe absence
- ✓ Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- ✓ Provide access to wider support services to remove the barriers to attendance

During Attendance Review meetings, pupils whose attendance has dropped below 95% are reviewed and the context to each pupil is discussed. Unless in exceptional circumstances, when a pupil's attendance has dropped

below 90% the process of challenging this absence starts. The process will follow but not adhere to the following structure:

- ✓ Absence Letter 1 – "inform and remind" of expectations around punctuality
- ✓ Absence Letter 2 – "Warn and request" that all illness absences require proof of attendance at a hospital or GP surgery.
- ✓ Absence Letter 3 – "Inform of changes" and that all absences will be recorded as unauthorised (and referral for FPN is appropriate)
- ✓ Persistent Absence Letter – where absence has been persistent, extreme and that following other protocols will not achieve any immediate and significant improvement
- ✓ Meeting with Headteacher
- ✓ Referral for FPN to Local Authority

At all times, communication with FLA is ongoing and supportive developing an understanding of attendance and punctuality requirements and the impact of pupil learning.

8. Monitoring Arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum at the start of every academic year by the headteacher. At every review, the policy will be approved by the full Governing Body.

9. Links with Other Policies
