

Pupil Premium Strategy Statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	
School name	Pound Hill Junior School
Number of pupils in school	352
Proportion (%) of pupil premium eligible pupils	12.8%
Academic year/years that our current pupil premium	2023 - 2024
strategy plan covers (3-year plans are recommended)	2023 - 2024
Date this statement was published	1 December 2023
Date on which it will be reviewed	31 August 2024
Statement authorised by	Anthony White –
Statement authorised by	Headteacher

Pupii premium lead	Inclusion Manager
	Chair of Safeguarding
Governor lead	and Disadvantaged
	Committee

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£65,475
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£65,475

Part A: Pupil premium strategy plan

Statement of intent

Pound Hill Junior School use the Pupil Premium Grant funding to ensure that our general and targeted support meets the needs of our disadvantaged pupils so they receive the highest quality of education and pastoral support. This will enable them to become active, socially accountable citizens of our future community. We recognise that disadvantaged and vulnerable children can face a wide range of barriers which may impact on their learning.

Our aims are to:

- ✓ Eradicate barriers to learning created by poverty, family circumstance and background
- ✓ Narrow and close the attainment gaps between disadvantaged pupils and their non-disadvantaged peers
- ✓ Ensure all pupils are able to read fluently and with deep understanding to enable them to access broad curriculum and breadth of learning opportunities
- ✓ Develop confidence in their ability to communicate effectively in a wide range of contexts and situations both written and verbally
- ✓ Support pupils to develop skills and understanding to look after their social and emotional wellbeing
- ✓ Support pupils to develop resilience
- ✓ Access a wide range of opportunities to develop their knowledge and understanding of the world

Our context:

√ 12.8% of pupils are eligible for Pupil Premium Funding in comparison to 24.8% national.

Achieving our objectives:

In order to achieve our objectives and overcome identified barriers to learning we will:

- ✓ Provide all staff with high quality training and resources to ensure that pupils access highly effective quality first teaching
- ✓ Direct funding to ensure that all pupils have access to trips, residentials and first-hand learning experiences
- ✓ Provide appropriate pastoral support to enable pupils to be ready to access learning within and beyond the classroom
- ✓ Provide support and sign posting to families
- ✓ Provide targeted intervention and support to address identified gaps in learning including the use of individual and small group work, targeted intervention programmes and 1:1 tuition
- ✓ Provide opportunities for all pupils to participate in a broad range of activities including sport and music

This is not an exhaustive list and strategies will change and develop based on the needs of individuals.

Key Principals:

We will ensure that highly effective teaching, learning and assessment meets the needs of all pupils through the robust and rigorous analysis of a wider range or real data. Class teachers will identify during Pupil Progress Meetings specific intervention and support for individual pupils which will be reviewed at regularly. Alongside academic support, we will ensure that those pupils who have social, emotional and mental health needs will access high quality provision from appropriately trained adults. Families will receive support and information from experienced and friendly adults to break down barriers between home and professionals.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Limited language, vocabulary and communication skills
2	Lack of breadth of experiences due to family contexts
3	Low attainment on entry with limited acceleration of progress
4	Attendance and punctuality concerns
5	Disordered or strained family settings alongside Social Services involvement

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
Academic: reading, writing and maths	 ✓ Accelerated development of early reading skills ✓ Enhanced progress for pupils compared to non-disadvantaged pupils 	
	 ✓ Achieve outcomes in-line with, or above peers or national averages at end of KS2 	
Learning experiences	 ✓ Pupils access the breadth of learning experiences ✓ Pupils have the opportunity to attend residentials and visits ✓ Pupils participate in visits, school events and all learning opportunities 	
Pastoral support	 ✓ Attendance of pupils receiving Pupil Premium is in line with, or above, national cohort ✓ Punctuality of disadvantaged pupils is good ✓ Pupils receive prioritised access to school support 	

	✓ Pupils have opportunities to work suitable qualified or trained adults within the school	
	 Outside agencies have been consulted with in a timely fashion and suitable actions put in place 	
Family Liaison	✓ Whole families have a friendly point of contact within the school	
	✓ Parental engagement with school is positive and frequent	
	✓ Parents and carers have received external professional support or help following school contact and signposting	

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £6,550

Activity	Evidence that supports this approach	Challenge number(s) addressed
Highly effective training for staff to develop quality first teaching	Highly effective quality first teacher delivered adapted learning is most effective for pupils to develop learning linked to class theme	1 & 3
	Early reading skills for early reading lead and all staff has been identified as needing development through audits and discussion	
Continued training for teaching staff for Sounds Write (phonics	 Reduced phonic knowledge has a significant impact on reading and spelling ability 	1 & 3
programme)	 Pupils with limited phonic ability demonstrates a reduced breadth of strategies for decoding and spelling 	
CPD from English Subject Lead to develop knowledge of improving reading for	Limited access to high quality reading material will have impacted on opportunities to read and not fostered a love of reading	1, 2 & 3
pleasure	 Poor communication skills impact on relationships with peers 	
	Limited vocabulary and language skills have negative impact on learning and application of knowledge, skills and understanding	
Purchase high quality reading books	Access to high quality reading material is often absent for disadvantaged families	1, 2 & 3

	•	Poor communication skills impact on relationships with peers	
	•	Limited vocabulary and language skills have negative impact on learning and development of knowledge, skills and understanding	
	•	Continued financial challenges for disadvantaged families can mean that choices are made between essential purchases such as food and non-essential purchases	
HLTA leads for both phonic and speech and language	•	Gaps in knowledge, skills and understanding result in on-going challenges to develop broad and deep learning.	1 & 3
	•	Highly effective quality first class teacher delivered teaching is the most effective intervention for pupils to develop learning linked to class theme	

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £22,195

Activity	Evidence that supports this approach	Challenge number(s) addressed
Busy Hands	Physical writing difficulties result in reduced ability to communicate effectively in written form	1 & 3
	 Poor handwriting has a negative impact on self esteem 	
Lego Therapy	Poor communication skills impact on relationships with peers	1 & 2
	Limited vocabulary and language skills have negative impact on learning and application of knowledge, skills and understanding	
Sounds Write	Limited phonic knowledge has a significant impact on reading and spelling ability	1 & 3
	Lack of phonic ability reduces breadth of strategies for decoding and spelling	
Pre-teach Vocabulary	Limited technical and subject specific vocabulary and language has negative impact on learning and	1, 2 & 3

	application of knowledge, skills and understanding	
Rapid Maths	Limited technical and maths subject specific vocabulary and language has negative impact on learning and application of knowledge, skills and understanding	1, 2 & 3
	Reduced automaticity of basic mathematical skills limits the cognitive capacity to learning new knowledge, skills and understanding	
Badger Sentence Writers	 Reduced automaticity of basic written sentence structure limits the cognitive capacity to learning new knowledge, skills and understanding 	1, 2 & 3
	 Physical writing challenges result in reduced ability to communicate effectively in written form 	
Zones of Regulation	 Anxious or angry pupils have an increased cognitive load reducing capacity for accessing learning 	4 & 5
	 Demonstrative negative behaviours linked to frustration and anxiety put pupils at risk of exclusion and isolation from peers 	
HLTA leads for both phonic and speech and language	 Gaps in knowledge, skills and understanding result in on-going challenges to develop broad and deep learning. 	1 & 3
	Highly effective quality first class teacher delivered teaching is the most effective intervention for pupils to develop learning linked to class theme	
Thought-Full (WS & NHS joint venture)	Mental health and well-being have declined in children and young people	4 & 5
	Attendance and punctuality is a concern for some pupils with reduced well-being	

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £36,730

Activity	Evidence that supports this approach	Challenge number(s) addressed
School Counsellor	Significant mental health needs impact negatively on pupils' ability to	4 & 5

	 access learning, self-care skills and peer relationships Without opportunities to talk and explore issues with experienced adults within school, pupils can become disengaged with education, frustrated, isolated from peers which will have a significant impact on current and future mental health 	
Family Liaison Assistant	Attendance of disadvantaged pupils is often below that of peers due to lack of engagement with school and lack of targeted support from professionals	4 & 5
	 Punctuality of disadvantaged pupils is lower that non-disadvantaged peer group to due home factors 	
	Without opportunities to talk and explore issues with experienced adults within school, pupils can become disenfranchised with education, frustrated, isolated from peers which will have a significant impact on current and future mental health	
	 Parents and carers often have a negative view of professionals and school and need a friendly point of contact with the school 	
	 Parental engagement with school is sometimes negative and infrequent 	
	 Parents and carers are often unaware of external professional support or help or have no awareness of the procedures to access this support 	
School uniform	Financial challenges for disadvantaged families can mean that choices are made between essential purchases such as food and non-essential purchases	4 & 5
	 Feeling smart and belonging to the school community is important for pupils 	
School breakfast and tuck	Hungry children do not perform or learn well or consistently strongly	4 & 5
	 Disadvantaged pupils often do not have a balanced or healthy diet 	
Residential funding	 Disadvantaged pupils have not had broad or sustained opportunities and experiences 	2, 4 & 5

	Financial challenges for disadvantaged families can mean that choices are made between essential purchases such as food and non-essential purchases	
School visit/event funding	 Disadvantaged pupils have not had broad or sustained opportunities and experiences Financial challenges for disadvantaged families can mean that choices are made between essential purchases such as food and non-essential purchases 	2 & 5
Outside activity funding	 Disadvantaged pupils have not had broad or sustained opportunities and experiences Financial challenges for disadvantaged families can mean that choices are made between essential purchases such as food and non-essential purchases 	2 & 5

Total budgeted cost: £65,475

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Outcomes for Disadvantaged Pupils:

Key stage 2 outcomes 2023 compared to National 2022

Meeting Expectations

✓ Reading: +16%✓ Writing: +45%✓ Maths: +22%

School outcome: Outperforming vulnerable pupils' national attainment especially in writing

Average Score

✓ Reading: +4.0
 ✓ Writing: +1.6
 ✓ Maths: +3.1

School outcome: Outperforming vulnerable pupils' national average scores in reading, writing and maths

Reading, writing and maths combined:

✓ Meeting expectations: +13%

School Progress measure from KS1 Teacher Assessment:

Reading:

- ✓ Progress 77%
- ✓ Accelerated progress 33%

Writing:

- ✓ Progress 89%
- ✓ Accelerated progress 33%

Mathematics:

- ✓ Progress 89%
- ✓ Accelerated progress 0%

*Progress is defined as meeting Pound Hill Junior School trajectory outcomes. Accelerated progress is defined as exceeding them. Pound Hill Junior School trajectories are created from Fisher Family Trust (FFT20) predictions.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
